Section 1, T. 39 S.,  
R. 1 W.  
DOE/025/003  
Kane County, Utah

Dear Mr. Dettamanti:

The Division is in receipt of your filing of a Declaration of Exemption (DOE) for the above-referenced operation. When time permits, a member of the Division staff will inspect the area.

Should the operation expand beyond the limits of 500 tons of material mined and two (2) acres of surface disturbance per 12 consecutive months, then the filing of a mining and reclamation plan is required.

If you have any questions or we can be of assistance, please call.

Sincerely,

JAMES W. SMITH, JR.  
COORDINATOR OF MINED
